Notes:

- Students may need to have a pair of athletic shoes available for P.E.
- There may need to be additional art supplies purchased for art projects during the year. I will be sure to give plenty of time and warning for further art materials.
- If you have any questions feel free email me at michael.simpson@flcoe.org.

6th-8th Parents,

I am sending this supply list to you early so you can get a jump on buying supplies for this coming year. I do want to stress that students will need all items included in my supply list.

There are two items above I want to draw your attention to specifically. The first is a required computer sleeve that must be purchased if a student is going to be allowed to take their Thinkpad home to complete school work.

The second is a 1.5 inch, zipper close binder. I have attached one on Amazon that will work, but you may buy another if you prefer. I have a couple expectations for the binders though: the binder must zip close, it should be between 1-1.5 inch thick, and must have 3 ring system inside. Students will be using these to keep homework organized and to write down their daily planners.

Students in my classroom will have smaller desks than they have had previous years. Please keep extra supplies to a minimum or they may not fit in their desks. Any supplies that do not fit in the student's desk may be kept in their backpack or sent home.

Please feel free to email me with any questions you may have.

See you soon,

Mr. Simpson.
